Adoption Agreement

The pet will be rehomed to you on a two week trial period and can be returned to <ORGANISATION NAME> if the pet is deemed unsuitable. You understand that a member of <ORGANISATION NAME> will inspect your premises to ensure the pet will be housed in safe and secure surroundings pre-adoption and may visit during the two week trial period.

You agree to contact the group immediately should any problems arise during the two week trial, this includes the pet becoming lost or if you have any health or behavioural concerns.

In the event that the pet requires medical attention during the two week trial period you agree to contact our group immediately. Any veterinary costs incurred by you will not be refunded unless the pet is treated by our nominated veterinary practice.

If at any time during or after the two week trial period, <ORGANISATION NAME> becomes aware that the pet is being mistreated or is deemed to be at risk, <ORGANISATION NAME> may seize that pet without notice. The pet will only be returned to the adopter after <ORGANISATION NAME> considers the situation resolved and the pet faces no further threat. If <ORGANISATION NAME> feels the situation cannot be resolved then they may list the pet for rehoming and you will receive no moneys or refunds.
